Green Fork Bistro — Sample Menu

Knowledge Base Document 1 | Menu items, descriptions, sample prices and diet labels

About this sample restaurant

Green Fork Bistro is a fictional casual dining restaurant created only for testing a Retrieval-Augmented Generation (RAG) chatbot. All menu items, prices, and business details in this document are invented demonstration data.

Ordering notes

Prices are sample prices in Indian rupees (INR). Availability can change and is not guaranteed by this document. The chatbot must not claim live stock, current availability, or real-time prices unless a connected live system supplies that information.

Useful test questions

- Which vegetarian main courses cost less than ■250?
- Does Paneer Butter Masala contain dairy?
- What is the listed price of Crispy Corn?
- Is Chicken Pepper Fry vegetarian?

Important limitation

This is fictional menu data for software testing. Do not use it as a real restaurant menu or as authoritative dietary/allergen advice.
